Holiday Gift Catalog Winter 2007

New this year, our Holiday Gift Catalog is showcasing our Winter Seasonal Gift Items, Holiday Novelties, and highlighting the most popular gifts from our regular online offering.

This catalog was designed to give you a preview of our holiday gift selection but please bear in mind that the seasonal items will not be available for online ordering and shipping until Thanksgiving.

However, this catalog can be used at anytime to order early for the Holidays as well as for non seasonal gift items; this especially for larger corporate orders and personal gift lists with multiple recipients.

For all orders shipping to 10 or more addresses, please use our easy to use "Group Order Form" (Excel File) which is available for download at: www.leonidas-chocolate.com/group-orders.html.

Please check our website regularly for updates and feel free to call us at any time during store hours at 1-800-900-CHOC, or to e-mail sales@leonidas-chocolate.com with any question or comment.
